

This book combines beautiful never-before-seen candid photos of intimate and memorable moments, stories, private and personal words of Anna Nicole Smith combined with new details about some of her deepest darkest secrets. Brought to you by her best friends Pol' Atteu and Patrik Simpson. They insisted Anna, who always said "I'm gonna do it my way" was a NOT-SO-DUMB BLONDE but in fact was a smart, shrewd woman who, although lacked a formal education, played the role of the dumb blonde well – it didn't play her.

You will see Anna Nicole as funny, beautiful, sexy, and naughty, a wonderful mother, a true confidant, but most of all...a friend. Pol' and Patrik were present at every aspect of her life and knew all her well-kept secrets too; was Larry Birkhead "FAMILY"? Was Howard K. Stern her true

love? What kind of a monster was Anna's mother, Virgie Arthur?

Everyone knew Anna Nicole Smith. People wanted to touch her. They wanted to be with her. They wanted to be her. Anna was larger than life. It didn't matter if Jennifer Lopez walked through the door before her or Brad Pitt behind her. When Anna entered a room and turned her "celebrity" on, the crowds cheered.

This book is to memorialize and celebrate Anna's life. We will always love and miss her. Not a day goes by that we don't think about her. She touched our lives and everyone else she ever knew.

The world suffered a great loss when she died on February 8, 2007 and the enormous outpouring of grief made it clear that Anna Nicole Smith was more than just a celebrity...she was an icon.

A portion of the proceeds from this book will go to The Pol' Atteu Charitable Foundation, benefiting cancer wellness on behalf of his beloved mother, ANI who succumbed to cancer.
